Dear Folks

I am writing this letter just after breakfast. Hope everything is O.K. back home. Received the card yesterday. Guess Franklin High School is really going in for football in a big way. That time they even had football practice in the Spring time. Don't think they will go through with their plan of practicing in the spring. Baseball will be in the air around that time & they will forget all about football.

Write to Jean & Uncle Willie last night. Guess I owe Uncle Willie a letter. Have received a couple cards & a few letters from them. Received a card from the Flagg's from Hattie, was very glad to hear from them & sure like to get some candy & if there is any around. Sure do like those things mighty much. You probably will not receive any mail for the next few days but will write the first ~~time~~ day I get. Well for the next couple of days. Don't forget to keep those letters coming. So long for a while

Love Dick
